Mark B. Busby
CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
OAKLAND

TO: Class Action Clerk
United States District Court for the Northern District of California
450 Golden Gate Avenue
San Francisco, CA 94102-3489

I wish to object to the class action settlement being proposed by Katz-Lacabe. I ask that it be rejected and that Katz-Lacabe receive no payments.

Per the Lawyer's web site instructions found at: <https://www.katzprivacysettlement.com/>
I ask that the court reject their claim for compensation.

a. The name and case number of this lawsuit:

Katz-Lacabe et al v. Oracle America, Inc., the case number is 3:22-cv-04792-RS

b. The basis for believing you are a Settlement Class Member:

I also don't recall how any valuable information may have been captured from my brief interaction with the Oracle web site. All they have is my personal e-mail address, and nothing else.

c. Your full name and mailing address, and email address or telephone number;

d. A clear and concise statement of all reasons for your objection;

I believe this is frivolous and a waste of the court's time and my tax payer money.

The Lawyers are asking for a large settlement based upon e-mail addresses, but are not required to figure out who I am or how I was affected. If a settlement does get reached, they are asking that they receive a large payment and are not required to notify me in some official way.

Had I not found their e-mail in my SPAM folder, I would have never known that they want to collect a large lawyer fee on my behalf, and I would have never known about it.

e. Whether you intend to appear at the Final Approval Hearing, either in person or through an attorney representing you;

No, I will not be present and I will not hire an attorney to be present.

f. A statement identifying your counsel, if you are represented by counsel;

No, I will not be hiring a counsel to represent me.

g. Your handwritten or electronically imaged written (e.g., "DocuSign") signature. An attorney's signature, or a typed signature, is not sufficient.
